

Hi all,

I hope you are safe and well and had a good week 😊

It's been a busy time for me this week. I've been in school looking after the key workers children, started writing your reports and had a lady come and take Archie for a groom. He was in desperate need. The hair over his remaining eye meant that he could barely see anything and kept walking into doors!

Here are the before and after pictures of him. He can definitely see much better now and is a lot happier 😊

Thomas has also been enjoying the sunshine. He seems to be constantly sunbathing and trying to wind up Archie! He's such a cheeky cat.

It would have been SATs week last week so I have created a 'fun' lockdown version for you to complete. The questions aren't quite what you'd expect in a SATs paper. I hope you have lots of fun completing. I certainly did when I was making it. I can't believe some of the facts I learnt about the staff at St Joseph's!

Belle and George have had lots of fun putting my hair into crazy styles like I've asked you to do. I'll show you the photos when I see yours 😊 I've sent one to Mr Peniket to complete also!

The work I've set you this week is in a similar format as last week. Please remember only do as much as you are able and to keep sending me photos of everything you are doing. They really make our day.

Have a great week Year 6. We miss you lots and can't wait to see you all soon.

Sending lots of love,

Mrs Lawson x
