

Hello Year 6,

I hope you are all safe and well and have been enjoying the beautiful sunshine whilst having lots of fun with your families.

It's certainly been very strange not seeing you guys every day. I know that Mr Peniket will agree with me when I say it's extremely quiet without you all and we are especially missing seeing your cheeky grins and listening to your infectious laughter!

It's been a time of change for us all and I know it can be difficult to get used to our new routines. Please remember that it's the same for all of us, including your siblings and your parents. You are truly wonderful children and I know you will all be trying your hardest to be the best you can always be. As always I am incredibly proud of each and every one of you.

I've been keeping very busy. I have been going for lovely walks with Belle, George and Archie over the fields by my house and have also been doing lots of cooking, which as you all know, I absolutely love.

I've also been trying some of the many classes available online. These are my favourite. Why don't you try?

FREE CELEBRITY CLASSES FOR KIDS IN LOCKDOWN

Congratulations to all those who have completed the work set on Education City. I've been checking to see who hasn't logged on or done much work. If you haven't already, please make sure you do very soon!

I hope also, that you have been working through the Home Learning Folders that we sent home with you. I know there is a lot to do, however by doing these tasks every day, it will keep your brain active for when we get back to school.

I can't wait to see the work you are producing about the rainforests. If you have any photos of the work you have already completed, please email them into school at info@st-jo-st.dudley.sch.uk It really will brighten up my day to see what you've done. Could you also please let us know if we can post them on the website and/or St Joseph's Instagram.

On Friday, I am in school working with the children whose parents are Key Workers. We are going to create sunshines to stick on the school windows to show Stourbridge how bright we are at St Joseph's and to make everyone smile. Why don't you make some too and put them on your windows at home?

I think that's everything for now, however, I'll be writing again very soon. Don't forget I'll be checking who is completing their work on Education City.

Mr Peniket and I would like to wish you all a very Happy Easter. Please all stay safe and look after yourselves and your families. Make sure you have lots of fun! We miss you very much and can't wait to hear all about what you've been doing when we see you next.

God bless and lots of love,

Mrs Lawson xx
