

Hello Receptio

in

This week Mrs Piercy's youngest daughter turned 18! She had a lovely day even though she couldn't go out with her friends.

As well as being in school, Mrs Dodd and Grace have been busy finding out about The Leaning Tower of Pisa. They made a model too!

8.6.2020

How are you all?

Have you had a chance to look at the reading Challenge yet? If not, here's the link again <https://summerreadingchallenge.org.uk> Along with books to read, there are also games and you can get reading badges too!

Take care and keep smiling!

Lots of love,

Mrs Piercy, Mrs Dodd, Miss Meakin and Mrs Chadry

xxxx

We hope you have all had a lovely week. We have all been very busy, as you can see from our photos. It still feels very strange to not to see your happy, smiley faces every day, so please keep sending us photos, videos and letters on info@st-jo-st.dudley.sch.uk

We were delighted to see that some of you have your own butterfly kits now. We bet you're very excited to see them grow and change. We'd love it if you took some photos so we can share them with the rest of the class. Maybe you could send us a video too when you release them into your garden?

The rain this week has probably meant you've been spending more time inside. We hope you have been

imaginative and made up some indoor games. Let's hope it

won't be long until the sunny days return!
