# Hello Reception!

We hope you are all okay and that you have had a lovely week.

## Our week in school

We were busy learning all about Australia in school last week and we thought you might like to see some of the crafts some of the children made.

---

*We made koalas  
and rain sticks-  
sorry, but we think  
it might have been  
our fault that it  
rained!*

---

---

*We used cotton  
buds to do some  
Aboriginal art!*

---

---

We all tried to  
make a Great  
Barrier Reef, but it  
was quite tricky!

Can you spot the  
coral?

---

You are  
**AMAZING.**  
You are  
**IMPORTANT.**  
You are  
**SPECIAL.**  
You are  
**UNIQUE.**  
You are  
**KIND.**  
You are  
**PRECIOUS.**  
You are  
**LOVED.**

We have been so impressed with how much work you have been doing at home. It makes us really happy to know that you're enjoying the activities we're sending home. How many different countries have you 'travelled' to so far?

Last week we watched a live video assembly by CAFOD. Maybe you would like to watch it too?

We talked about how other children around the world are dealing with Covid-19 and how lucky we are to have a home, clean water and soap to wash our hands.

As we're not in school there are some things we'll miss out on this year, such as sports day or the summer fayre. Maybe you could have your own at home?

Next week is 'National School Sports Week at Home', so watch out for activities you can do with your family. We'll all try to do some too!

We hope you all have a wonderful week in the glorious sunshine. Take care and keep smiling!

Lots of love,

*Mrs Piercy, Mrs Dodd, Mrs Chadry and Miss Meakin xxxx*
