

Name: _____ Class: _____

Insert a colon into the correct place in the sentence.

- 1 They had looked everywhere:the cupboard, the shed and the drawers upstairs.
- 2 Klara was fed up. She had lost several things:her coat, her cardigan and her bag.
- 3 The characters:Stig, Sten and Granny were going on an adventure in Klara's story.
- 4 The friends had decided to visit:the river, the waterfall and the trek trail on their trip.
- 5 There are four parts to the rainforest:the forest floor, the understorey, the canopy and the emergent layer.
- 6 Stig had a small group:Granny, Klara and Sten.
- 7 Sten needed to buy the following:insect repellent, thick socks and shorts.

Write four lists using a colon correctly.

You could make lists about what lessons you have today, what you had to eat or places you would like to visit.

Accept all reasonable responses
