

Dear Mrs Cangiano

I hope you, IZZY and Poppy are OK! I have been doing science and lots of reading at home. My Mummy has got some more books on my iPad for me to read, my favourite book was Land of the dinosaurs. I am excited for the Easter holidays. I've been doing PE with Joe Wicks every morning which is so fun. My bean plant is OK, it is growing fast and I have been watering it. I have been playing games on my iPad.

I miss you and I hope to see you soon.

Love from Harry
