

English	Maths	RE
<p>This week I have chosen a variety of activities for you to complete in grammar, reading and creative writing. Following the same format as previous weeks (English 3).</p> <p>Grammar</p> <p>Slides 2-6 Choose 1 activity to complete daily.</p> <p>Reading</p> <p>Slides 8-22 Choose 1-2 activities to complete daily.</p>	<p>Mental Maths work</p> <p>Times tables revision EVERY DAY up to 12 x 12 and corresponding revision facts. www.multiplication.com is a good website to use.</p> <p>Use Topmarks Daily 10 to increase your speed in mental maths and challenge yourself!</p> <p>https://www.topmarks.co.uk/maths-games/daily10</p> <p>Hit the button for number bonds, times tables, division facts, doubles/halves</p> <p>https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>RE</p> <p><u>To understand and research important Saints</u></p> <p>For R.E. over the next two weeks (WB 22.06.20 and 29.06.20) I would like you to complete a research project about Saints. On slides 2-11 I have included some activities for you to start your research project. I would also like you to research and complete a fact file on 3 other Saints.</p> <div data-bbox="1444 1003 1984 1339"> <p>All Saints <small>twinkl.com/imagine/saints</small></p> <div data-bbox="1451 1047 1623 1154"> <p>Think</p> <ul style="list-style-type: none"> How old is this picture? What does it show? Who are the different people? How can you tell? What clues can you see? </div> <div data-bbox="1629 1047 1801 1154"> </div> <div data-bbox="1808 1047 1980 1154"> <p>Solve</p> <p>In the Roman Catholic Church, a saint is someone who has been canonised (declared a saint) by the pope.</p> <p>In the 20th century, the following popes canonised new saints: Pius X canonised four saints, Benedict XV canonised three, Pius XI 34 saints, Pius XII 33 saints, John XXIII ten saints, Paul VI 64 saints, and John Paul II canonised 482 saints.</p> <p>How many saints were canonised in the 20th century in total?</p> <p>Challenge: If each of the saints is given their own feast day, how many weeks would it take to celebrate them all? How many years?</p> </div> <div data-bbox="1451 1159 1623 1235"> <p>Respond</p> <p>Research the life of a saint of your choosing. It might be your namesake or one with a particular connection to you. Write a biography about their life.</p> </div> <div data-bbox="1629 1159 1801 1235"> <p>Discover</p> <p>Fact: All Saints' Day is a Christian feast to celebrate all the saints, known and unknown. It is also known as All Hallows, the name of which gives its name to All Hallows Eve or Halloween.</p> <p>Question: What traditions are associated with the celebration of All Saints Day? Use your research to create an information booklet.</p> </div> <div data-bbox="1451 1240 1623 1317"> <p>Discuss</p> <p>What makes a person a saint? Is simply living a good and kind life enough or should they have done something exceptional?</p> </div> <div data-bbox="1808 1240 1980 1317"> <p>Reimagine</p> <p>Use colours and collage to create an abstract picture to celebrate the lives of all the saints.</p> </div> </div>

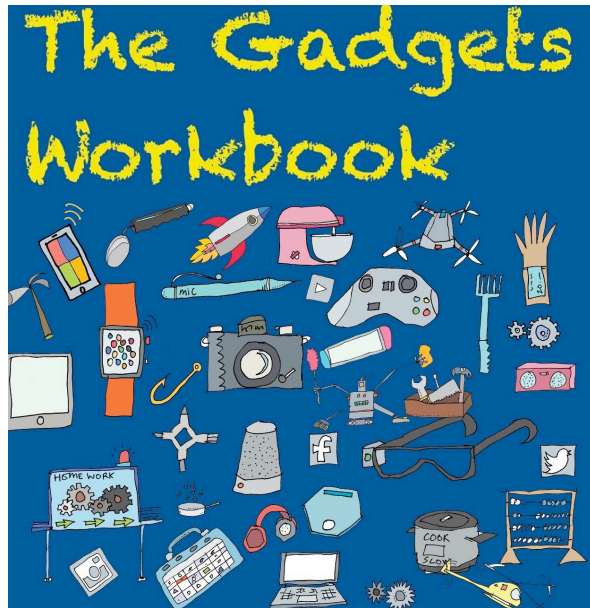

Creative writing tasks

Slides 24-28

Choose 1 or 2 activities to complete daily.

OR

Complete work set on

I have included a power point showing activities to complete

Maths

This week again, I would like you use the White Rose Maths Home Learning to the best of your ability.

<https://whiterosemaths.com/homelearning/year-6/>

Year 6

Summer Term Week 8

(w/c 15th June)

Lesson 1

Solve 2-step equations

<https://vimeo.com/428002477>

Lesson 2

Find pairs of values

<https://vimeo.com/428002579>

Lesson 3

Convert metric measures

<https://vimeo.com/428002669>

Saint George

[twinkl.com/imaginesaints](https://www.twinkl.com/imaginesaints)

Think
- Who is this? What is he doing?
- What is unusual about this icon?
- What is he giving to the dragon?
- What can you see in the background?

Discuss
Usually, Saint George is portrayed killing the dragon, rather than giving it flowers. He is shown on a modern street, with litter on the pavement. What is the artist's message? Why is it important to look after animals and our environment? How should we do this?

Respond
Rewrite the story of Saint George and the dragon as if it were set today. Would it be a dragon he has to defeat or something else?

Solve
The Golden Legend, a medieval story of Saint George and the dragon, describes how villagers would have to feed the dragon two sheep every day. How many sheep would the dragon eat every year? Every decade (not including leap years)?
Challenge: If the dragon had been born on a leap year and lived for 156 years, how many sheep would it have eaten in its lifetime?

Discover
Fact: Despite being patron saint of England, legends describe Saint George as a Roman soldier in the Middle East. He is often depicted slaying a dragon.
Question: Who was patron saint of England before Saint George? Of which other countries is Saint George the patron saint?

Saint Nicholas

[twinkl.co.uk/imaginesaints](https://www.twinkl.co.uk/imaginesaints)

Think
- What are these?
- How do they link to a saint?
- How has our representation of this saint changed over the centuries?

Solve
Many stories tell of Saint Nicholas making a pilgrimage to Jerusalem, 1545km over land from Dneme, where he lived much of his life. If he could walk 22 miles a day, how many days would it take him to walk to Jerusalem? How many weeks?
Challenge: If he travelled by sea, the journey time would be cut by 60%. How many days would it take by sea?

Respond
Research the 'real' Saint Nicholas. Create a list of adjectives to describe what you think his personality might have been like. Perhaps you could include some similes.

Discover
Fact: In October 2017, after 20 years of excavations, archaeologists in Turkey announced that they had found a tomb which they believed could be the final resting place of Saint Nicholas, who lived in the 4th century.

Reimagine
Saint Nicholas is often portrayed wearing a red coat with white fur trim but this hasn't always been the case. Design a new outfit for Saint Nicholas. Will you come up with something modern or traditional, flamboyant or practical?

Discuss
Saint Nicholas followed Jesus' teaching to 'sell what you own and give your money to the poor'. Is this an easy thing to do? Is it helpful or not?

Question: Who was Saint Nicholas? Why is he regarded as a saint? What legends surround his life? How did his image become the image of Santa Claus that we associate with Christmas today?

Saint Paul

[twinkl.com/imaginesaints](https://www.twinkl.com/imaginesaints)

Think
- Where is this?
- When was it built?
- What happened to the previous cathedral?
- Who was Saint Paul?

Solve
St Paul's Cathedral is 365 feet high, however Old St Paul's Cathedral, which was destroyed during the Great Fire of London, was 493 feet high. How much taller was the old cathedral than the current one?

Respond
Create a tourist leaflet for visits to St Paul's Cathedral. Include facts about its history, interesting places to see and illustrations.

Discover
Fact: Saint Paul was one of the most important saints of the early church. He was originally known as Saul and even oversaw the persecution of Christians until he experienced a conversion to Christianity.

Building of the cathedral designed by Sir Christopher Wren started in 1675 and was completed in 1710. How long did it take to build?
Challenge: What was the average height constructed each year?

Reimagine
Design a new cathedral for a large city. What style will it be? What materials will you use? You might also want to make an architectural model.

Question: Why did Saint Paul convert to Christianity? What did he do after his conversion? Where did he travel? What did he write?

Discuss
In order to raise enough money to maintain the buildings, some cathedrals charge an entry fee. Should cathedrals be free for everyone or should tourists pay if they are not using the cathedral as a place of worship?

(English ppt). There is a booklet (English 2) to work through. This work is for **TWO** weeks. Weeks commencing 29th June and 6th July.

You decide which you'd like to complete 😊

DO NOT complete both.

Lesson 4

Miles and kilometres

<https://vimeo.com/428002822>

Lesson 5

Challenge

Saint Thérèse of Lisieux

twinkl.com/imagine/saints

Think

- Who is this girl?
- How old is she?
- When was this photo taken?
- Why is she considered to be a saint?

Discuss

Towards the end of her life Thérèse struggled with unbelief and doubts about the existence of God and heaven. Does God exist? Can we ever know for sure? Is there an afterlife? What is it like?

Respond

Thérèse wrote about how to live a simple life that she referred to as **The Little Way**. Consider and describe how you and others can lead a simpler, better life through little acts of kindness, doing simple things to show great love.

Solve

Thérèse was born in 1873. In 1888, at a young age, she became a nun and lived in Carmelite community until her death in 1897. She was canonised (made a saint) in 1925. How old was she when she became a nun? How old was she when she died? How old would she have been when she was canonised?

Discover

Fact: From a young age, Thérèse wanted to become a nun and devote her life to God. Although she knew she would never perform great miracles or go on missions, her simple way of living continues to inspire many Christians.

Question: What is a nun? What is life like for a modern nun? What inspires people to become nuns or monks?

Reimagine

Saint Thérèse of Lisieux is often referred to as **The Little Flower**. Find a flower or a picture of one and draw it in great detail. What characteristics make that flower uniquely beautiful?

Extra Activities

Log onto:

<https://www.bbc.co.uk/bitesize/dailylessons> for a new lesson each day. Complete as much as you can manage.

Reading

Continue to read as much as possible! You should read from your book shelf/box or use the

More can be found to help you at BBC Bitesize:

<https://www.bbc.co.uk/bitesize/dailylessons>

If you are finding the Year 6 Maths too challenging, as you are not in school, please feel free to choose a lower year group on BBC Bitesize and do that instead! It doesn't matter what the topic is, as long as you are continuing the skills. 😊

Transition to Secondary School

#199264049

free online resources like www.oxfordowl.co.uk, who provide free ebooks

Try this summer reading challenge. There are also lots of activities to complete

<https://summerreadingchallenge.org.uk/>

Language Angels

<https://www.languageangels.com>

Language Angels Home school enables you to continue foreign language learning at home. This is the site we use at school to learn French. You will have access to a selection of units. There are Power Points, printable worksheet activities and interactive games. Have a go!

USERNAME

For most of the questions, **you DO NOT need to print, and you can copy them onto your paper.**

This week's learning project focuses on who you can turn to and how to form friendships with other children. It will give you an opportunity to create strategies to make friends, stay in touch with other children from primary school and the importance of staying safe online.

Children going to Hagley High

I have included the third power point sent to me by Hagley High with your Home Learning this week. I hope you found the last one informative and learnt a few things also! This week the focus is the following:

StJose1970

PASSWORD

lahome

- To start summer term transition to Hagley
- To collectively share the School Prayer
- To consider what equipment you would need to bring to school
- To think more carefully about what you need for specific days / lessons
- To reflect on what the School Prayer means
