CAFOD – Global citizenship

In your RE work this week, you will be looking at the **work of the charity CAFOD**. It is a Christian organisation that helps people all over the world who are not as lucky as us.

- Your RE work also links to our **Geography topic of 'Global Citizenship'**. A global citizen is someone who is aware of and understands the wider world - and their place in it. They take an active role in their community, and work with others to make our planet more equal, fair and sustainable.
- By thinking of and supporting people who are less fortunate than ourselves, we fulfill Jesus' teaching to **'love our neighbours'** including our wider global family ©.

Please read through the PowerPoint and work through the activities ③

I hope you enjoy them ©

Well done Toby, Alyssa and Millie. These are such lovely prayers.

You are all superstars 😊

CAFOD began when volunteer members of the National Board of Catholic Women organised a **Family Fast Day** on Friday 11th March 1960.

They raised money to help a mother and baby health care scheme in the Caribbean Island of Dominica.

The letters in CAFOD stand for...

Justoneworld

CAFOD works for all people whether they are black or white, Christian or Muslim, women or men, young or old. This is because we believe that we are made in God's image, and God made all people equal.

Now nearly sixty years old, CAFOD is still helping those in need by supporting **development** and **emergency** projects all around the world.

It can do this because people in England and Wales give their time and money generously.

CAFOD campaigns to make the world a fairer place.

We want to get rid of world poverty by working together with people in need.

We help people to learn about other people, countries and cultures.

Sometimes our job is to work quickly in an emergency. An emergency can be a natural disaster like droughts, floods and earthquakes. Or it can be because of 'conflict' or fighting.

CAFOD supports people over a long time by providing better shelter, water, health care and education. It also supports people by teaching them new skills.

CAFOD supporters raise money in England and Wales. We believe YOU can make a difference!

Task 1:

Create a poster all about CAFOD

(Have a look at the examples on the next page to help you)

Things to include:

- ✓ What they do?
- ✓ Where they work?
- ✓ Who they help?
- ✓ Why do they help? (Think about Jesus' teachings in the Bible)

Useful video clips to help you:

I would LOVE to see your amazing posters. Please send them to info@st-jo-st.dudley.sch.uk ©

Here are some poster examples to help you ③

Task 2:

Watch the CAFOD Summer of Hope Assembly: https://www.youtube.com/watch?v=Fk8XTLhvL0s

This Summer, like never before, we are called to be **signs of hope for our world.**

Reflection:

Think about how you could bring hope to the world around you through your actions.

There are lots of ideas and more information about what you could do here:

Task 3:

Read the prayer for our global neighbours, or watch a lovely video of it using the link below:

https://cafod.org.uk/Education/Kidz-Zone/Our-global-neighbours

Dear God,

Speak to our hearts and help us to see that we are one big family. Old or young, short or tall, wherever we live, you made us all. Help us to share, however hard it seems, to make our world fair, And live out our dreams.

Amen.

Write your own prayer to help our family all over the world [©] You might like to illustrate your prayer too.

Optional activity:

Make your own Jar of Hope:

It can be so frustrating when we're locked indoors for long periods. All those things we want to do, but can't! This might help: every time you think of something you can't do at the moment, write it down and put it in the jar. Then you'll have a jar-full of things to look forward to! When the COVID-19 crisis is over, you can take out one or more memos

each day, and really appreciate being able to do them.

Thank you for working so hard. I would love to hear about/ see pictures of all the wonderful work you do. Please send in any photos to info@st-jo-st.dudley.sch.uk

You are brilliant!
