

RE

Over the next few weeks in Reception we will be learning about the birth of a very special baby! Can you guess who?

Do you know what a 'baby shower' is?

It is a party where people celebrate that a baby is due to be born soon.

How do you think people feel at a baby shower?

Why do you think people feel so excited about the birth of a new baby?

What sorts of gifts might people bring for a baby at a baby shower? What will the baby need?

What would you bring to a baby shower to help the baby's parents prepare for the birth of their child?

Draw a picture of the gift that you would bring.

Can you label your picture?
