Questions to Extend and Deepen Understanding

While the children are completing the challenge, you may wish to ask them the following questions:

- Can you find an animal that is shorter? Can you find an animal that is taller?
- How can you check? How can you be sure?
- Can you describe the animal heights?
- Can you order the animals?
- Can you find another animal that is the tallest of all?

Challenge Set-Up Instructions

1. Print and cut the Animal Heights Small World Characters. Attach each animal to a block so they can stand.
2. Print the challenge cards and place these on a table, along with the animals.
3. When working with the children, you may wish to use the suggested questions to deepen their understanding of height.
