## A message from our Principal

Dear parents and families,

I hope that you have all had a great week. It has been a very busy week in school. Our Reception children are well underway with balance-ability, our Year 1 children had a lovely walk to the park and I have seen so many great examples of art and music taking place across school. Our Year 5 and Year 6 children have also fully embraced learning about and playing badminton. Lots to be excited about as we progress through the summer term.

Our latest group of Year 6 children had the opportunity to serve the senior parishioners lunch this week - a great example of serving the community and putting our faith in action. Well done Year 6.

Thank you to the Year 4 parents who joined Miss Gibbons and Mrs Hickman for the Year 4 multiplication tables check workshop on Thursday evening. I hope that you found this session useful. We will add the PowerPoint to the website for ease of reference.

This Sunday 22nd April is 'Earth Day'. One of our Catholic Social Teaching themes is to demonstrate 'Stewardship of God's Creation' which also fits in perfectly with our aim to achieve the Cafod Live Simply award this year. Perhaps this weekend you could speak with your child about the importance of recycling, planting or collecting litter in the local area to encourage them to 'Live Simply'.

Have a great weekend.

Mr A. Wilkes

Principal

## St Joseph's Art Show

### ST. JOSEPH'S ART SHOW – SHOWCASING OUR VISUAL ARTS

We are holding our first whole school art show on **Thursday 16th May from 3.30 -4.30** and are looking for some help! Could you support us in any way? We are looking for:

1. Volunteers on the afternoon of 16th May to set up our show in the hall
2. Display/exhibition boards (that we can borrow or buy cheaply)
3. Materials with which to make display boards (wooden batons, chicken wire, hinges and screws)
4. Handy people to make display boards

Please get in touch with Mrs Cangiano through the school office if you can help in any way. Thank you so much for your support.

Polite request for community members with skills! Dear parents, there are a number of ambitious projects in school that we wish to begin,

and wondered if any members of our community would be interested in offering some of their skills towards the benefit of our school community? For example, we're looking for painters, joiners, carpenters, videographers and green fingered members of the local community to come forward and see if they could help. If this sounds like something that you feel you might be able to support with, please do give the school office a call. Thank you.

## Children's liturgy - 4th Sunday of Easter | Cycle B

"I am the good shepherd: the good shepherd is one who lays down his life for his sheep."  
John 10:11

Jesus calls himself the good shepherd, who carefully looks after his sheep. Why do you think Jesus calls himself a shepherd?

Who do you think the sheep are that Jesus talks about in this story?

When he says sheep, Jesus means us, because he cares for us and for all people around the world.

How does it make you feel to know that Jesus loves and cares for you that much?

If a wolf came to attack the sheep in a field, someone who did not care about them would run away, and the sheep would scatter. But Jesus loves his sheep so much he is prepared to die to save them from danger!

Sometimes it can be very difficult to stop someone or something that we do not like or that we know is wrong. We might be afraid that we will be hurt or laughed at.

There are many things that happen in the world that are not right. Can you think of some? There are people around the world who have been forced to leave their homes because of fighting. There are people who do not have enough food to eat or clean water to drink. There are children who have to work and earn money to help support their families instead of going to school. Do you think this is fair? How does this make you feel?

Jesus wants us to follow his example. He asks us to care for all our brothers and sisters around the world, no matter who they are or where they come from. And he doesn't want us to run away when things are difficult. He wants us to stand up for what we believe in and know to be right.

Jesus loves everybody the same amount, no matter where in the world they are from. How do you think we can do the same and show our love for everybody throughout the world?

How will you stand up for what you know is right and show your love for your global family this week?

We know that Jesus is our shepherd who cares for us and listens to us, and so we pray together:

We pray for world leaders: that they may follow Jesus' example of love and care for their people. Lord, in your mercy...

We pray for all members of our global family: that we may see that God loves us all equally and treat each other as we would wish to be treated. Lord, in your mercy...

We pray for our parish, family and friends: that we may not run away when things are hard, but instead look for what we can do to make the world a fairer place for everyone to live. Lord, in your mercy...

**Closing prayer:**

Loving God, help us to love and care for all your people throughout the world and to work together to make the world a better place. Amen

Attendance for the whole school for this week is **97.25%**.

Here is the attendance for this week for each class:

Year R: 98.9%

Year 1: 99.3%

Year 4: 99%

Year 5: 95.3%

Year 6: 95.7%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend

to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

## Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

# ST. JOSEPH'S PARENT TEACHER ASSOCIATION NEWSLETTER

Hello St. Joseph's Families,

As we start a new year, we wanted to reach out to share our plans for 2024, and look back on some of our achievements in 2023. As ever, 2023 saw amazing generosity from the St. Joseph's community, which helped us raise an incredible £6183.95, and have a lot of fun along the way! See inside for our planned spending for Spring 2024, we're pleased to be delivering a great selection of opportunities that will benefit all pupils.

It's not all about fundraising though, we also help drive improvements around school, further enriching the school environment. The school community came together last spring and made some epic changes to our outdoor spaces, we'll be doing it all again in March so please see dates for your diaries inside. Friends & families are very welcome - The more hands the better (and we'll even treat you to tea and biscuits!)

Thank you to those of you that completed our recent survey, the results told us that you'd like money spent on inspirational visitors, classroom extras & outdoor equipment. You feel most likely to support Joechella, Christmas Raffle & disco. An extra thank you to those that put forward ideas & additional feedback - And we really appreciated the kind compliments many of you offered.

We look forward to a great 2024!

Marie, Em & the whole PTA!

## A NOTE FROM MR WILKES

I was delighted to be asked to write a few lines for the newsletter to express my thanks and gratitude for all that you do for our children and school.

Over the last year a number of successful events and projects have taken place that have been led by the PTA. The Valentines disco, mother and fathers' day sales, Joechella, the outdoor action day, spooky disco and fantastic Christmas raffle among many others have been fun for all and ensured a great amount of money has been raised - all of which has gone to further enriching the learning experience of the children at St Joseph's.

St Joseph's is blessed with a wonderful PTA - The best that I have worked with in my career as a teacher.

The generosity of parents and family members towards PTA events greatly supports the school to achieve our aims of providing the best start in life for the children and community we serve. All parents in school become a member of the PTA when their child starts at St Joseph's. Where possible, please do try to attend the meetings and approach a current member if you wish to become further involved as all support, skills and time given is very much appreciated and extremely rewarding.

On behalf of the teachers, support staff and governors, thank you.

## Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.
