

## Happy VE Day Year 4

I hope you are all well and you have enjoyed learning all about VE day this week. This is such an important time in history, when ordinary people sacrificed and gave up so much to fight for our freedom. Today we can pay tribute to them with our own celebrations!

### Noah's Incredible NHS and Keyworker Gardening Project!

Congratulations to Noah, he has been working incredibly hard on a garden project which he is dedicating to the NHS and Keyworkers. I'm sure you'll agree it looks fabulous! Noah has also made a film for Gardener's world, so we wish you luck with that Noah.

Next week, your English task is all about documenting your families time in lockdown through story writing and film. I am so excited to see your work! I hope you enjoy your VE Day celebrations and have a lovely weekend children.

Love from,  
Mrs Mahoney xx

This book is very funny and has been written by a teacher, you can download it for free on the link below:
