

Hi Year 4!

I hope you are all well and continuing to enjoy the wonderful weather. Isn't it lovely to see such beautiful blue skies?

Thank you for your messages and photos, it is always lovely to hear from you and see all the fantastic work and activities that you are doing at home.

I hope you are managing to access the daily maths and English lessons. If you are having difficulty please ask a parent to contact the office at: info@st-jo-st.dudley.sch.uk

It is really important that you are able to take part in these lessons as they will keep you on track through the summer term. If you are finding the Math's lessons particularly tricky, then please follow the same week but on the Year 3 page and then complete the activity sheet for that lesson.

Remember if you would like to email photos of work or activities just send them to the office: info@st-jo-st.dudley.sch.uk

Chinese Art

This half term we are learning about Chinese art. Nature is often used, as in the picture above.

Research: Find some other pictures of traditional Chinese art and research the characteristics of it.

Task: Write about traditional Chinese art and draw or paint your own picture of nature, either from your outdoor space or using pictures to inspire you.

I look forward to seeing your work!

Well done to all the following children who completed all of the Education City tasks last week. Rose Alexia Ed Lauren Tyler Holly Lara Molly Kamran Izzy Veronica Jack Isaac G Luke Lily Isla Fenton Harvey Sophie Lola Hermione Jacob Adam

Keep up the hard work!

If any of you have read any good books lately, please share with us why you enjoyed the book and we can recommend them to the rest of the class.

Keep having lots of fun children, love from Mrs Mahoney xx
