# L.O.

- ▶ This week we are going to be looking at numbers 6,7,and 8. At school we follow White Rose Maths. This week we will be using the White Rose home learning videos and activities. Please follow this link.
- ▶ <https://whiterosemaths.com/homelearning/early-years/growing-6-7-8/>
- ▶ There is a video to watch and an activity to complete each day.
- ▶ Please also look at the following slides for a daily maths warm up and an extra challenge if you would like one!

# Day 1

## Daily maths warm up!

Counting to 20!

Click on this link [https://www.youtube.com/watch?v=\\_MVzXKfr6e8](https://www.youtube.com/watch?v=_MVzXKfr6e8)

You can also watch the Numberblocks episode for six:

<https://www.bbc.co.uk/iplayer/episode/b08pgksd/numberblocks-series-2-six>

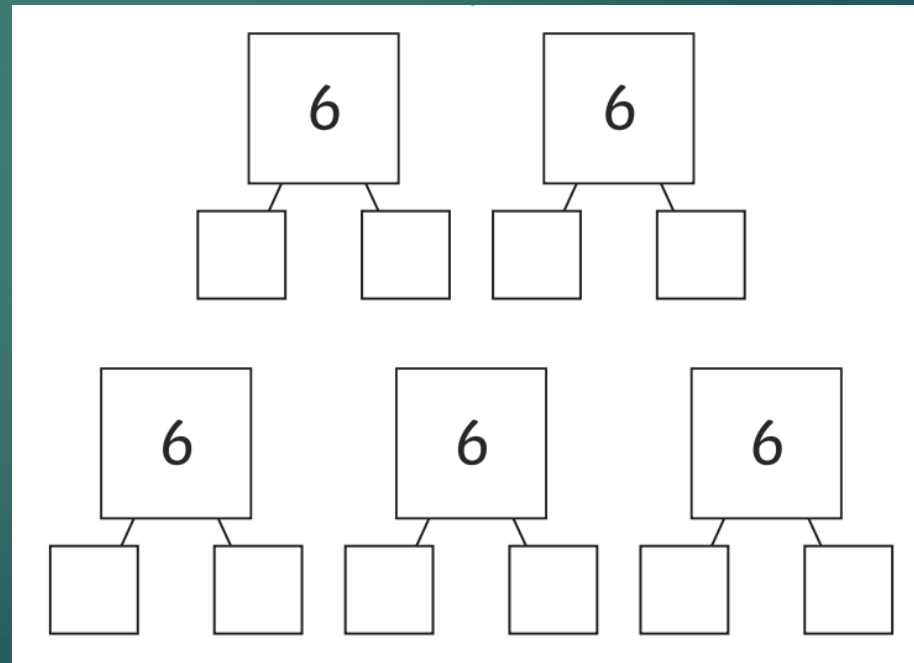

Now watch the daily White Rose Maths video (Link on page 2).

# Day 1 Challenge

This is an optional extra. Please don't worry if you don't complete the challenges!

Use these part part whole models to record ways to make 6.

# Day 2

## Daily maths warm up!

Can you find all of  
the number sixes?

Now watch the daily White Rose  
Maths video (Link on page 2).

**I Spy Number Six**  
Find and circle all of the number sixes.

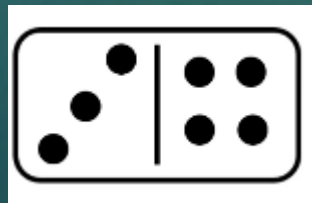

6

# Day 2 Challenge

This is an optional extra. Please don't worry if you don't complete the challenges!

Watch the video for today again. This time see if you can write an addition number sentence for each domino. For example:

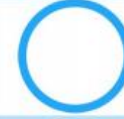

$$3+4=7$$

# Day 3

## Daily maths warm up!

Can you count these winter items? Tell your grown up how many.

Now watch the daily White Rose Maths video (Link on page 2).

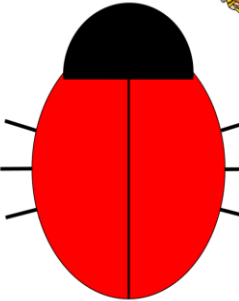

# Day 3 Challenge

This is an optional extra. Please don't worry if you don't complete the challenges!

#MathsEveryoneCan

Explore all of the different ways that you can make 8  
Have you found all the possible ways?

White Rose Maths

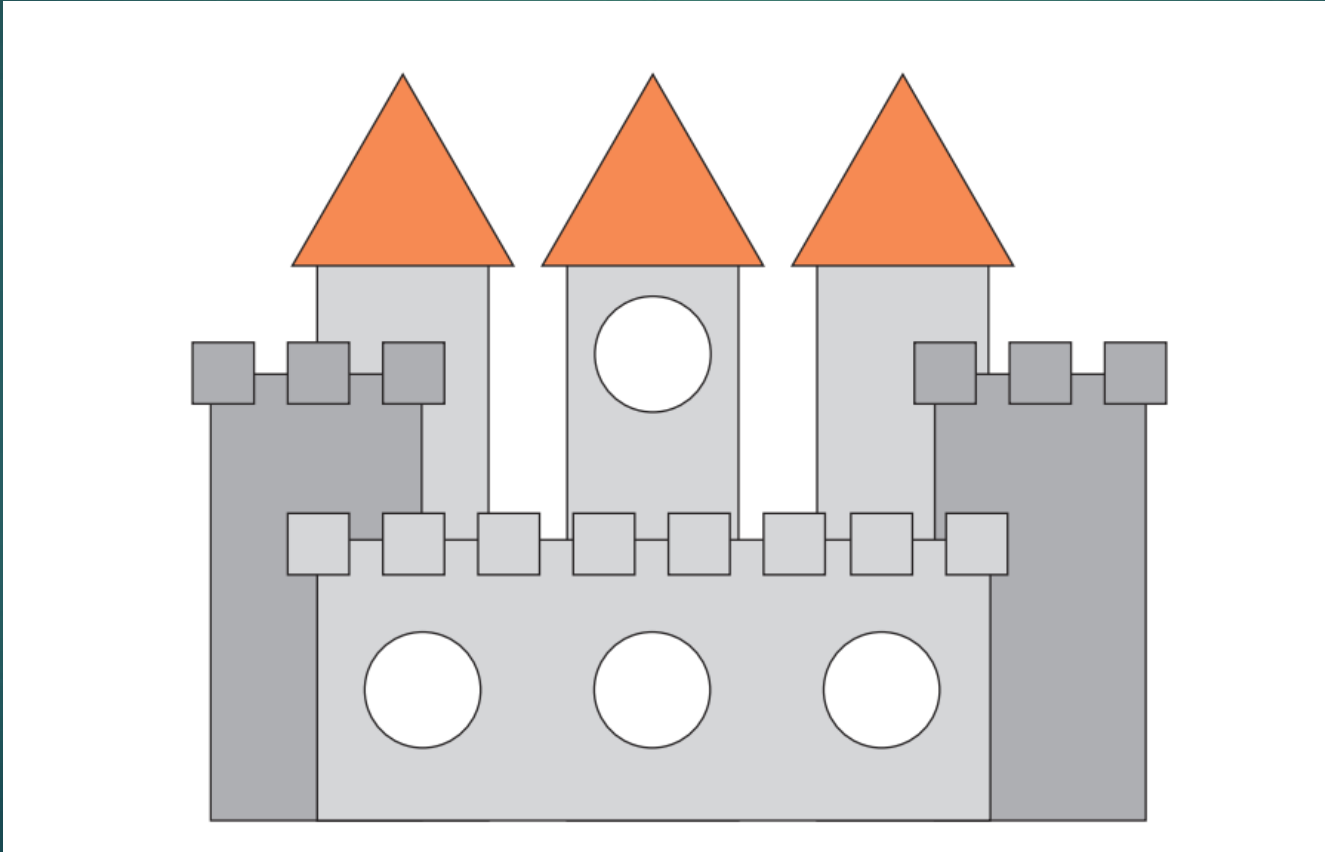

Can you write a number sentence to show each way that you made 8?

# Day 4

## Daily maths warm up!

Tell your grown up which shapes you can spot in this picture. Can you describe the shapes using the words: sides, straight and curved?

Now watch the daily White Rose Maths video (Link on page 2).

# Day 4 Challenge

This is an optional extra. Please don't worry if you don't complete the challenges!

 #MathsEveryoneCan 

Now have a go at designing your own cards to play the memory game with.

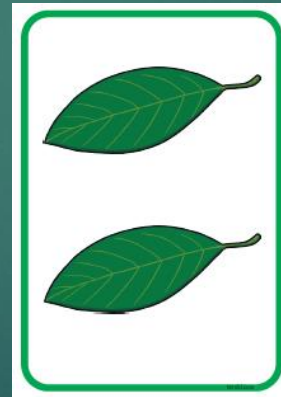

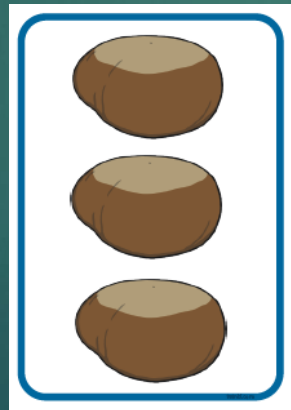

Have another go at making your own memory game cards but this time use addition number sentences and see if the answers match!

# Day 5

## Daily maths warm up!

Can you go outside and collect some sticks, stones and leaves. Count them to see how many you have got. Can you write the numeral for each group of objects?

# Day 5 Challenge

This is an optional extra. Please don't worry if you don't complete the challenges!

Have a go at playing the game where a number of toys are hidden under a blanket. Secretly take 3 away and ask your child if they can work out how many will be left. How do they know? Ask them to explain how they worked it out. Repeat with different numbers being added or taken away.
