

Hi Year 3,

How are you all doing? I hope you have all had a great week full of smiles and laughter. I can't believe that we have reached the last 2 weeks of the school year. What a strange and unusual time it has been for us all! Whether you have been working at home or in school, you have all worked so hard and should be so proud of yourselves. I know I have been very proud of you all 😊.

You are simply
THE BEST!

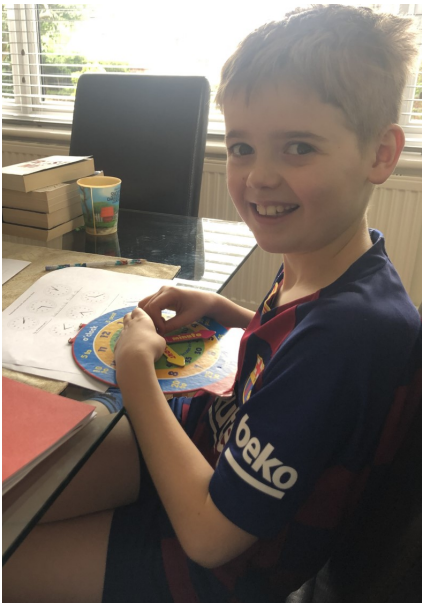

Last weekend, I went for a walk with some friends at the Malvern Hills. The weather was lovely to start off with and we enjoyed a nice picnic. However, as soon as we reached the top of one of the hills, we were greeted with a humungous hailstorm and huge winds. We all got soaked! I thought you might enjoy this action shot from the storm! Silly weather!

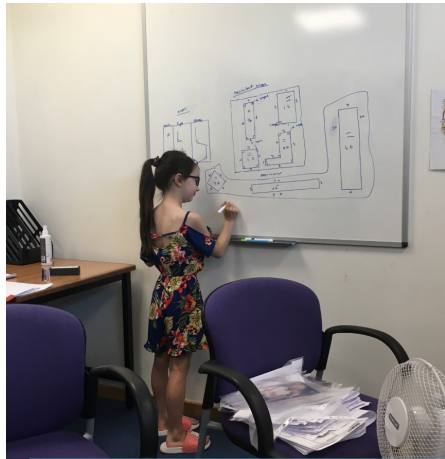

I have also been in school again this week with the Year 6 children. As they prepare to leave Saint Joseph's and move on to their new schools, they have been discussing and sharing lots of memories of their time at primary school. For our RE/ PSHE home learning for the next two weeks, I thought it might be a nice opportunity for you to think about your time in Year 3, the memories you have made and your hopes/ worries for Year 4. There are lots of different activities on the PowerPoint. I would love you to choose 2 or 3 to complete over the next 2 weeks. I would also absolutely LOVE to see any photos of the work you complete. Please send them to me at: info@st-jo-st.dudley.sch.uk .

As always, it has made my week to hear from lots of you this week, see some of you in school and wave at some of you through the school gates. There are only 2 more weeks of

home schooling to go so please keep trying your best and working as hard as you can 😊. Take a look at some of the lovely work that has been sent in this week 😊. Well done everyone! You are all absolute superstars, even if your work isn't here; you have all made me so proud 😊.
