

Hi Year 3,

How are you all doing? I hope that you have all had a fantastic Easter time with your families filled with lots of fun, sunshine and chocolate! I know that it is a very strange time at the moment but please remember to keep smiling, laughing and enjoying yourselves. It won't be like this forever ☺

Hearing about all the wonderful things you have been up to at home always brings a smile to my face. It has been lovely to see Oscar celebrating Easter - polish style, Sophia using her birthday money to buy the Iron Man book, Megan creating amazing, imaginary worlds and cooking tea for her parents and Millie writing her own, fantastic Science song. What activities have you been doing? I'm sure you have all found lots of imaginative and fun ways to keep yourselves smiling ☺

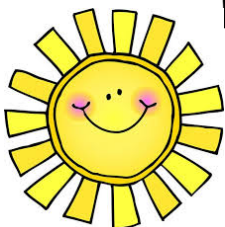

This week, there have been some new tasks published on the school website and also some more Education City activities. I hope you enjoy completing them - I really love the 'Catch it'

video for English - it really brought a smile to my face. Remember there is no rush or pressure to complete the activities, just work through

them at your own pace ☺ Don't panic if you find anything tricky, just try your best or ask an adult or sibling to help (be patient with them especially if they are busy working at home too).

Next week, there will be some more activities on the website. I am looking forward to planning and creating these for you over the next few days. Please continue to send photos, letters or updates on what you are doing to info@st-jo-st.dudley.sch.uk . It is always so wonderful to hear from you and makes me so proud to see all the amazing things you have been doing.

I think that is all for now. Remember to try your best with the activities on the website, keep smiling and being the fantastic children that you are.

Take care, stay safe, Mrs Cheslin and I are missing you lots,

Love

Miss Robertson xxxx
