

Hi, Year 3. How are you all? I hope you are all okay at home and staying safe and well.

Here are some more activities that you could try over the next few days (especially if you are having trouble with Education City):

### Maths:

- Take part in the boys vs. girls battle on Times Table Rockstars. Who will be the winner?
- Use the daily 10 on Topmarks to improve your fluency of key maths facts.
- Use the White Rose Maths website to access videos and worksheets based on our new Maths topic 'fractions'.  
<https://whiterosemaths.com/homelearning/year-3/>
- Look at the YouTube videos on Maths4Kids  
This is a great video called 'adding fractions with the same denominator'.  
<https://www.youtube.com/watch?v=s768ZakRX4k>
- Complete the fraction sheets that I have added onto the website. If you have access to a printer these could be printed off, or you could complete them in your homework books.

### English:

- Watch and follow along with Jane Considine's 'super sentence stacking' on YouTube. Each day at 9.45, and throughout the day, she uploads new videos based on an interesting video clip. I would love to see the fantastic stories and sentences that you produce!  
<https://www.youtube.com/watch?v=rs3rCIhtQso>
- Use Pobble 365 to write a story. Can you complete the sentence challenge or the sick sentences activity?
- Try using the literacy shed:  
<https://www.literacyshed.com/home.html>

On this website you can access different videos to inspire your writing. One of my favourites is: 'Ride of Passage' - This is about a little boy who goes on an adventure in the jungle. There are lots of different writing activities based on this video clip.

<https://www.literacyshed.com/the-other-cultures-shed.html>

- Pick a word a day from the Year 3/4 common exception word list (you will find this on the website). Practise using and spelling this word correctly in a sentence.

Other activities:

- <https://www.bbc.co.uk/teach/supermovers>  
Try some of the videos on BBC Supermovers to keep active.
- Complete Chapter 5 in your 'I Belong' book.
- <https://www.worldofdavidwalliams.com/>
- Listen to David Walliams read one of his wonderful stories!
- Complete an activity from the 30 day lego challenge!

It would be brilliant if you could send in any photos of the fantastic work you do to the school email address.
