

Hi Year 3,

I hope you have all had a good week and are all staying safe and well. It is **SO** strange in school without you. Mrs Cheslin and I miss you **SO** much. I know that Mrs Cheslin has really enjoyed speaking to lots of you and your parents and hearing all about what you have been up to. It's great to hear that you are all working hard, staying safe and enjoying your time at home ☺. You are all superstars!

I know that this Saturday would have been your First Holy Communion day. This week, you should have received a little gift and card in the post. This is just a little something to show you that we are all thinking about you and sending you lots of love and prayers, especially this weekend ☺. If yours hasn't arrived yet, please don't worry I'm sure it will come in the next few days ☺.

It has been lovely to hear from lots of you this week. Take a look at Harry's amazing sunflower that he has been growing! Nancy has also been learning how to say hello, goodbye and love in different languages! Esme has written an amazing poem and typed it up on the computer! Tess has been doing some research on her ancestors and found out all about different members of her family! How fantastic! Please continue to send in any photos, letters or updates of what you have been doing to

info@st-jo-st.dudley.sch.uk It is always **SO** lovely to hear from you and it certainly brightens up my day.

I hope you enjoyed this week's home learning activities and enjoy the tasks I have set for next week. As always, try your best but please remember they are only a guide. I know that whatever you are doing at home is fantastic and wonderful, just like you are ☺.

Mrs Cheslin and I have been in school working with the lovely Year 6 children again this week. We are missing you lots though and we hope you like this picture of us!

I hope you have a great weekend. Take care and keep smiling ☺ you are the best!

Love Miss Robertson xxxx
