

Hi Year 3,

How are you all? I hope you have all had a great week full of lots of smiles and laughter. I also hope you liked your bracelet 😊 I have been busy working with some Year 6 children again this week. It has been lovely but I am really missing your faces and teaching you everyday. You are all wonderful.

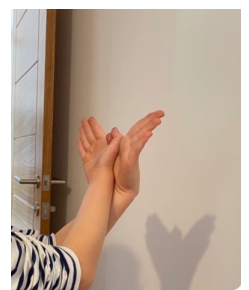

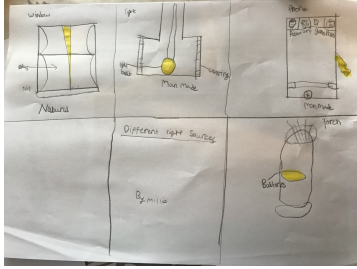

I have been so impressed with all the amazing work you have been doing. You are all working **SO** hard and trying your absolute best. I have loved seeing all of your brilliant posters based on missing animals, ranging from hippos, to pandas, to goldfish! How imaginative! I am glad that you have been enjoying the English activities. Next week's English work is based on a video all about a wish making machine. It is so important to keep thinking about things that make us happy and look forward to things in the future. The RE

activities for next week are all about making the future brighter for everyone too. I hope you enjoy the tasks about creating a 'Summer of Hope' for everyone 😊.

It has been lovely to see a few more of you in school recently (or wave at you through the fence). Even though I have only seen you for a few minutes, it has been great to see your smiley faces and hear all about what you have been up to. I know the teachers who have been working with you in the hall, like Mrs Riley, Mrs Hickman and Mrs Hounsell have been so impressed with all your hard work. I was also very impressed with Sophia, who has managed to fill two books full of amazing work! Well done everyone – you make me very proud 😊.

Another huge well done to all of you who have been working hard on your chilli challenges. I know the

weather hasn't been great this week but hopefully next week you will be able to get outside in the sunshine a lot more ☺ Why not try one of the Science investigations about shadows? Well done, Lissie and Millie! You have been working very hard learning all about sources of light and shadows.

Next week, it is 'National School Sports Week at Home'. Please ask your parents to keep an eye out for some resources that will help you to get involved at home. These will be available on the school newsletter ☺. There are lots of activities to have a go at. Have fun!

I hope you enjoy the home learning activities for next week. Please continue to send in any photos, work, letters or just general updates on how you are doing to:

info@st-jo-st.dudley.sch.uk

It is always brilliant to hear from you and see all of your amazing work ☺. It always brings a huge smile to my face. Thank you so much! As always, if you need any extra help with anything or are finding any of the work too tricky, *please, please, please* ask your parents to contact the school office or send an email/message. I will do all I can to help you ☺.

I hope that you all have a brilliant week full of sunshine (fingers crossed), laughter and happiness. I am looking forward to hearing from you again soon.

Lots of love,

Miss Robertson xxxx
