

<u>English</u>	<u>Maths</u>	<u>RE</u>
<p><b><u>NEW Topic – Instructional Texts</u></b></p> <p>Lesson 1 – work through PowerPoint (no need to print, it can be viewed and used on screen)</p> <p><u>L.O. Identify features of instructions.</u></p> <ul style="list-style-type: none"> <li>• Recognise instructions</li> <li>• Identify the features</li> <li>• Learn a new card game</li> <li>• Improve a set of badly written instructions</li> </ul>	<p><b><u>Mental Maths/Fluency</u></b></p> <p>Times tables revision EVERY DAY up to 12 x 12 and corresponding revision facts.  <a href="http://www.multiplication.com">www.multiplication.com</a> is a good website to use.</p> <p>Use Topmarks Daily 10 to increase your speed in mental maths and challenge yourself!  <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a></p> <p>Education City – Homework section – Lots of times tables games set up for you in there!</p>	<p><b><u>Pentecost</u></b></p> <p><b><u>LO: To explain why we celebrate Pentecost.</u></b>  <b><u>LO: To consider what special gifts the Holy Spirit has given us.</u></b></p> <p>Read the story of Pentecost and discuss the Scripture together.</p> <p>Acts 2:1-12</p> <p>There is also a Lego version in the PowerPoint provided.</p> <p>Imagine that you could suddenly speak any language you wanted? How would you feel? Why?</p>
<p>Lesson 2 – Work through PowerPoint again</p> <p><u>L.O: To create a list of instructions.</u></p> <ul style="list-style-type: none"> <li>• Revise features</li> <li>• Identify imperative verbs</li> <li>• Identify time adverbials</li> <li>• Create a new set of instructions for an outdated set “Rules for boarding a bus”</li> </ul>	<p><b><u>NEW Topic – Decimals</u></b></p> <p>For maths I would like you use the White Rose Maths Home Learning to the best of your ability  <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a></p> <p>Watch the videos carefully and then answer the questions.</p> <p>I know some of you might have started it, but I am going to go right back to <b>Week 1,</b></p>	<p><b><u>Possible tasks to complete to respond to the Scripture/Bible story</u></b></p> <p>Task 1 – Write 5 sentences about how the disciples felt when they could suddenly speak different languages. Why did The Holy spirit give this gift?</p>

	<p><b>Lesson 1!</b> If you have already done so, great! Maybe now you can try the more challenging questions. As a general rule of thumb, the questions on the second sheet are more challenging, so don't worry if you cannot complete all of these. However, it would be brilliant if you attempt ALL the questions on the <u>first</u> sheet! ☺</p>	<p>Task 2 – Write 5 sentences about how they would feel if they were in the crowd at Pentecost.</p>
<p>Lesson 3 – PowerPoint/ Texts and Questions</p> <p><u>L.O: To analyse instructional texts</u></p> <ul style="list-style-type: none"> <li>Recap features of instructional texts</li> <li>Look at alternative “skeleton” models to make notes</li> <li>Read the texts <i>Art Attack Instructions</i> and <i>Aeroplane Instructions</i></li> <li>Read and answer the questions <i>Thinking about Instruction Texts</i></li> </ul>	<p>For most of the questions, you DO NOT need to print, and you can copy them onto your paper. For the ones you do need to print but you haven't got a printer, just try your best and have mathematical discussions about the questions together.</p>	<p>Task 3 – What special gifts and talents has The Holy Spirit has given to you?</p> <p>Children to write a prayer thanking God for their special gifts from the Holy Spirit.</p>
<p><b><u>Reading</u></b></p> <p>Continue to read as much as possible! You should read from your book shelf/box or use the free online resources like <a href="http://www.oxfordowl.co.uk">www.oxfordowl.co.uk</a> provide free ebooks.</p>	<p><b><u>Visuals and Manipulatives</u></b></p> <p>This website <a href="https://mathsbot.com/#Manipulatives">https://mathsbot.com/#Manipulatives</a> can be used for virtual manipulatives such as place value counters and Base 10 materials (also known as dienes blocks). These will be mentioned in the videos and on the worksheets.</p>	<p>Challenge – What if Pentecost had not happened? Discuss.</p>
<p><b><u>GPS</u></b></p> <p>Complete English Grammar and Punctuation Test 1. No need to print, just read and answer the questions on a piece of paper if you can.</p>	<p>Lesson 1 – decimals up to 2 decimal places.</p> <p>Lesson 2 – decimals as fractions (1)</p> <p>Lesson 3 – decimals as fractions (2)</p>	<p>Pray together the prayer on the PowerPoint (final slide)</p>

Answers are at the bottom of the test too.

Lesson 4 – understand thousandths

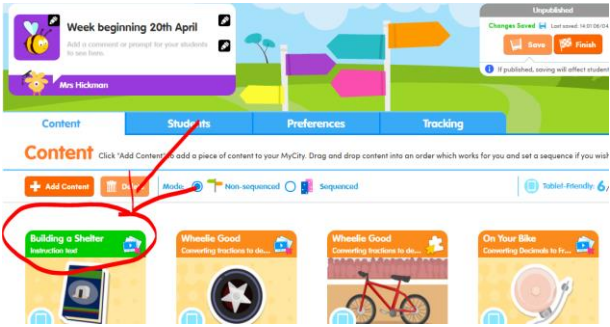

Lesson 5 – thousandths as decimals
