

## Hello year 5!

How are you all? Hope you are having a good week and managing ok with your schoolwork. Hope you all had a nice Father's Day too.

We have had a good week. We've been busy again in all types of weather. Ava really enjoyed going on a nature walk and we tried to find colours along the way. We also found a rock in the park yesterday with "Hey Duggee" on it. She loved it so much that she brought it home and even fell asleep with it! I'm still trying to get her to understand that we need to re-hide it for other boys and girls!

When we had the bad weather, it still didn't stop us going out to play either. We had our brollies and wellies, so we were fine. Also, Amber has decided to sleep on Ava's bed now, but this is how she sleeps!

Hope you are all trying hard and trying your best. Only a few more weeks left of home schooling to go! Please make it count!

Missing you all so much. Please keep sending your photos into [info@st-jost.dudley.sch.uk](mailto:info@st-jost.dudley.sch.uk) I love reading your work and looking at your pictures. I will try and email you all back if I can!

Have a great week,  
Mrs Hickman x
