### DPA Music Lessons

4<sup>th</sup> September 2020

Dear Parents/Carers,

This is a temporary 'one off offer' for online lessons at only £7 for an individual lesson. DPA will handle all of the administration and will teach students online when they are not in school. The offer is open to existing and new students – even if you don't normally offer these types of lessons at your school. There is no need for schools or parents to commit to lessons after half term and such this is an unprecedented offer for music lessons whilst face to face learning may be problematic. To give students the opportunity we would like you to encourage participation and promote the opportunity by including the text below in mail outs to parents.

Dudley Performing Arts are making a temporary offer for online music lessons during the first half of next term. This is a one off arrangement and is available for existing students as well as anyone who would like to play an instrument or have singing lessons. The cost is £7 for a 20 minute individual lesson which includes instrument hire for certain instruments. You can find out everything you need to know including how to enrol at this [website](#).

This is a fantastic opportunity for students to have a taster experience of learning a musical experience as well as providing lessons for those already learning. Dudley Performing Arts will be re introducing face to face tuition during the term and school life returns to normal.

Kind regards,

Mrs D Bradley
