

Royal Wedding Celebrations - 17.05.18

Children have been taking part in various activities throughout the day. They enjoyed being detectives trying to solve problems to find the clues to who stole the wedding rings. Year 5 children created a breakfast fit for Royalty including all different types. Children decorated dresses and completed a Royal quiz. The children decorated their own crowns and wore them on Thursday.

Mrs Brown and her team worked really hard to prepare a wedding feast at lunchtime. The tables were decorated with flags and flowers and the children enjoyed - Megan's Hot Dog's, Royal chicken Wraps, Harry's Ice pops and wedding cake.

"I enjoyed Megan's hot dog because the bap was really big."

"I liked how they set out the hall because it looked unique for this special occasion."

"I liked the little pictures that were on the cake - you could eat them."

"I enjoyed decorating my crown because it was fun and you could get creative."

"I enjoyed seeing all the decorations on the tables."

"I enjoyed wearing the crown because it made me feel like a princess."

"I enjoyed designing the wedding dress because I designed the dress I want to wear when I get married."

"I liked it when I won the mug because I had a heart in my lunchbox."
