

Year 6 Transition to Secondary School

As part of this weeks Home Learning I've created some tasks that focus on your feelings about your transition to Secondary School. These will give you an opportunity to reflect on your time at Primary School whilst also considering your hopes and worries for the future. Try and complete one each day.

Monday

Starting Secondary School is a time for you to say farewell to current teachers and classmates and hello to many new faces. It is important for you to cherish your favourite memories. Create a drawing of your special memory and frame it in a photo frame. You might choose a favourite lesson, a funny moment with friends, a school trip, your favourite teacher or a job role you are proud of. Decorate the photo frame or craft your own using card.

Tuesday

During your time at Secondary School, you will encounter a variety of different experiences. Interview someone about how they coped with some of the changes they faced in Secondary School. This could be a family member or a neighbour/relative that has been to Secondary School. What questions could you ask? E.g. How did you make new friends? What did you do if you got lost? What did you do if you forgot your homework?

Wednesday

As you move to Secondary School, it is important to consider your hopes and concerns. Using an outline of a face, draw the aspects of Secondary Life that you are looking forward to e.g. Clubs, lessons; what you are nervous about e.g. homework, friends and areas you have thoughts and questions about e.g. Who will be my teacher?
Where will I eat lunch?

Thursday

Secondary Schools may ask for a piece of writing to be sent to them with some information about yourself. Write a letter to your Secondary School telling them what you are looking forward to, what you are nervous about, what you enjoy doing and something you dislike.

Friday

You might like to reminisce about your favourite memories of Primary School in the future. Capture these memories in a fun way by creating a 'Memory Jar'. Using coloured paper. Write your favorite memories. You can use different colours to show different categories of memory e.g. blue for friendship, yellow for teachers, red for favourite lessons, green for school trips. Use a jam jar or plastic bottle to collect your memories. You could even personalize your jar with decoration.

Here are some examples of work for each day:

Monday

Wednesday

Friday
