

Amazing Aliens

English: Friday 5th February 2021

Lesson 5

Welcome back Year 4!
Yesterday, you were an alien
expert! Answering questions
all bout our species. Now
imagine your are an
interviewer...

Task 2: Create your own alien. How many eyes will it have? How many legs? What colour will its skin be? What special powers will it have? Label your alien to show what it can do.

For example:

laser eyes for fighting
enemies

Task 2: Now write your own questions to ask **your** alien. Use the question words: who, what, when, where and how. Don't forget to end your sentence with a question mark.

For example; Can you hear from really long distances with those trumpet like ears?

Think of 5 questions suitable for the alien you created. Consider it's features and talents...

Task 3: Now you are going to write a script for your interview. Include an introduction and your five questions and the alien's responses.

For example;

Interviewer: Today I would like to introduce my guest, Pepo, who is literally out of this world.....

Welcome to Planet earth Pepo. Firstly I would like to ask, do those exceptionally long arms get in the way?

Pepo: well actually I can adjust my arms to any length I want.

Task 4: Use your script to role-play your interview, have fun!

Well done Year 4!
I hope you enjoyed
being an interviewer
today.
