

## RE

### Lent\*

Develop their knowledge and understanding of prayer, fasting and almsgiving as important Lenten activities. Examine the teaching of Jesus about these things and think about why they might be important activities for Christians today. Explore the Church's teaching on the forgiveness and God through the Sacrament of Reconciliation.

### Holy Week\*

Learn about the passion of Jesus from the events that took place in the Garden of Gethsemane through to the death of Jesus on the cross. Find out some reasons why Christians have described the death of Jesus as a sacrifice.

## Science

Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals.
