A message from our Principal

Dear parents,

Welcome back to school for the start of the second half of the autumn term.

Today in particular has been very busy in school. Our Year 1 and Year 2 children led us in a moving Remembrance assembly this morning. Thank you so much parents and families for not only attending in great numbers, but also for your support with the children's learning of words, song words and projects. They blew us all away and everyone was so very proud of the children. They have truly embraced their learning in this important area. Tomorrow and Sunday of course we will all stop in our communities and within the Parish to remember those who have given their lives for our freedom. We Will Remember Them.

This afternoon, our Year 3 class hosted our first 'pop up' curriculum museum in the hall showcasing their work, learning and home projects in their Egyptian history topic. Thank you to the parents and families who attended and the PTA for providing refreshments. Again, the children demonstrated exceptional knowledge in this area that builds on their prior history knowledge. Well done children - I hope you enjoyed being museum exhibitors for the day! Across school, the children are using their talents for the benefit of others - well done everyone!

Across school this week, we have focussed on 'UK Parliament Week'. The children have learnt about the importance of the British Value of democracy, how important decisions are taken and issues that they too are passionate about.

Photographs from all events will be available on our social media channels over the weekend.

Thank you for the great donation of 90 shoeboxes towards project Gambia demonstrating our commitment to the Catholic Social Teachings of Solidarity and Giving Option to the Poor. Your generosity during this challenging economical climate is greatly appreciated.

Next week, West Midlands Police will visit Year 5 and Year 6 to discuss the importance of online safety and will also include advice regarding the children's online footprint, age limits for certain apps and guidance regarding online trends. In addition to this, please could I remind parents to look through the Wake Up Wednesday information that we send out weekly and the link to take part in courses and webinars regarding online safety from the National Online Safety platform that can be found towards the end of this newsletter. The online world continues to adapt and develop at a near

daily rate and as a school we are committed to supporting parents as the first educators to ensure our children are safe at all times. Thank you.

Please do keep an eye on the dates for your diary within this newsletter as I update when further dates and events are made available - including upcoming school trips and Christmas events.

Please do keep an eye on our school website which we continually update - [St Joseph's Catholic Primary School Stourbridge - Home \(st-jo-st.dudley.sch.uk\)](http://st-jo-st.dudley.sch.uk)

Maths Week England

As the name suggests, Maths Week is a week-long celebration of all things maths. Some perceive maths as being a little bit elitist (that is, being only for extremely clever people)! Maths Week sets out to encourage children to pursue maths by promoting a more positive and inclusive approach. We will have lots of activities planned around school such as: fun lessons that are a little different to normal, our annual "Estimation Station" (guess the number of sweets in a jar!), KS2 Times tables Rockstars "England Rocks" competition, activities around school and the playground, learning about inspiring mathematicians, linking maths to stories and more. There will be "Maths Menus" sent home for optional extra homework and Mrs Hickman would love to see anything you do by sending a photo into the school office! info_stjosephs@emmausmac.com

Children's liturgy - 32nd Sunday in Ordinary Time Matthew 25: 1-13

"Stay awake, for you do not know
either the day or the hour."

Matthew 25:13

Jesus tells a story about ten women who are waiting at a wedding for the bridegroom to arrive. It is dark and so they all have lamps with them to light the way. But what did five of them have that the other five didn't?

Five of them were sensible and took extra oil with them, so that if the bridegroom was late they would still be able to light his way. They were prepared. What happened next?

The bridegroom was very late. It was after midnight before the women were asked to go out and meet him and five of them no longer had enough oil for their lamps. They were not prepared and ended up being left outside the wedding. How do you think they felt about being left outside?

Sometimes things happen that we don't expect and we realise that we are not ready for them. Can you think of a time when this has happened to you? What happened? How did you feel?

Can you think of a time when you were ready for something? When you were well prepared? What happened? How did you feel?

Jesus also asks us to be ready and prepared to be kind and loving to others whenever we have the chance. Are you ready to try and help people when they need some support?

How do you think you can show you are ready to help others? (Such as: treating others as we would wish to be treated, sharing, trying to make the world a fairer place).

Let's try our best to be prepared in this coming week to be loving, kind and generous. Let's do our best to be ready to help others at home, at school, in the local community and around the world.

We love God with all our hearts and so we pray together:

We pray for all people around the world who face natural disasters: that they may be able to prepare as best they can to protect themselves. Lord, in your mercy...

We pray for the work of CAFOD: that it may continue to help people be prepared and to change their lives for the better. Lord, in your mercy...

We pray for our parish, family and friends: that we may be ready to follow Jesus and treat others as we would wish to be treated. Lord, in your mercy...

Closing prayer:

God of all, help us to be ready to share what we have, to treat others as we would wish to be treated and to try to make the world a fairer place. Amen.

Reflection adapted from Cafod children's liturgy

Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

Live Simply Update

Please continue to bring in any food that you can donate which will be taken to the food bank. Our WOW walk to school once a week is up and running! Can you walk to school once a week? Talk to a friend or family member about God's creatures that you see on your journey.

Stones/pebbles needed for our prayer garden - Thank you for the stones and pebbles that have arrived in school. With a few extra we can begin to paint and add prayers for our garden area.

Catholic Social Teaching

Each class has a Catholic Social Teaching focus this year. Links will be made to this throughout the school year. Catholic social teaching (CST) is rooted in Scripture, formed by the wisdom of Church leaders, and influenced by grassroots movements. It is our moral compass, guiding us on how to live out our faith in the world.

Stewardship and Option for the Poor - Pope Francis invites everyone on the planet to consider how our actions are affecting the earth and the poorest people. Everything is interconnected, and all of creation praises God. It is our Christian vocation to care for creation.

Thank you for all of the Christmas shoeboxes that have been brought into school for our Gambia appeal!

Gifts from God

The following children have been awarded certificates in our Gifts from God assembly this afternoon and will be invited to 'Brew with Mr W' on Friday afternoon to discuss their achievements. Well done children for your hard work and commitment to our school values.

Gifts from God will return next week due to Year 3 Egyptian Museum on Friday afternoon.

PTA updates

PTA Spooky disco - This was a great success! Thank you to all who attended.

Friday 17th November - PTA family quiz night

We are very lucky to benefit from such an active and passionate PTA - thank you for your ongoing support to our school!

Please see the below videos for how our outside area has been transformed in school with thanks to the PTA! We have lots of exciting plans including a gardening club, vegetable patch, the use of a greenhouse, a pond area, new benches to listen to stories from the storytelling chair and areas for children to be responsible for. All showing how we are caring for our common home - how wonderful!

Thank you so much to our fantastic PTA!

Please see the link below for an update on the PTA outdoor projects for the rest of this year. If you can help in any way, please do let your

class PTA representative know. Thank you to the PTA for preparing this wonderful slideshow! [OUTDOOR PROJECTS \(canva.com\)](https://www.canva.com)

Thank you so much to the PTA who joined us last Saturday and helped out with the outdoor area at school. The school environment looks absolutely wonderful and the children had a brilliant surprise on Monday morning! Thank you PTA!

Attendance

Congratulations to Reception class who have achieved the highest attendance this week. You will receive an extra play time!

Attendance for the whole school for this week is 97.83%.

Here is the attendance for this week for each class:

Year R: 99.6%

Year 1: 99.3%

Year 2: 97%

Year 3: 96%

Year 4: 99%

Year 5: 95%

Year 6: 99%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988

Email - freeschoolmeals.benefits@dudley.gov.uk

More information

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

2 - National Online Safety

This week we have emailed you with information on how to sign up for resources, courses and webinars around online safety using the National Online Safety platform. I will shortly add suggested resources to your parent 'watch list' which I believe will be of great support to us all as we keep our children safe in an ever changing environment online. Please do sign up to this fantastic resource which we also use regularly in school. All schools within Emmaus have been provided with this opportunity to support online safety of our children.

Within school, we are able to see which courses that you have completed, but not any other details. Please ensure that you select the 'parent/carer' user group when you sign up.
