

RE

Lent -Thinking about the concept of 'temptation' as they study the temptations of Jesus. Reflect on what nurtures and damages human relationships. Study some important texts from the New Testament about Christian living. Learn about the Sacrament of Reconciliation as a Sacrament of Healing and God's forgiveness.*

Holy Week - Gain a greater knowledge and understanding of the last week of Jesus' life and how the Church celebrates this week through liturgy and prayer. *

Science- Properties and changes of materials

Learning about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes.

The children will work scientifically to investigate, making predictions and forming conclusions.
