A message from our Principal

Dear parents,

During the second week of our Advent journey we have focussed on the importance of peace. We have thought about why Jesus is known as the 'Prince of Peace', and how Jesus brought his kingdom of peace to earth. Our Caritas Ambassadors have thought carefully about this duty to be peacemakers and have invited our school community to choose an extra Mass to attend for those people in countries experiencing conflict who cannot currently go to Mass freely. Please try to do this if you are able to.

Thank you to the Year 5 family members who joined the stay and pray on Wednesday morning. I hope that this supported your preparation during Advent. Father Philip also led a beautiful Year 4 Mass on Wednesday as we all focus our minds on our Advent journey.

Your child will have received a walk with me book and calendar as well as Christmas Mass times for Our Lady and All Saints. If you have not received this, please do come and let the school office know. I hope you find this supportive.

Next week there are many fun and exciting events taking place for our children during the final week of term. Each of the key dates are listed below and your child's class teacher will send out any further information needed.

Mini progress reports:

I know how valuable progress updates are for parents and, as such, next week the first named parent/carer will receive an email giving an overview of your child's attainment in the core subject areas in the form of attainment 'codes' as opposed to typed comments. The codes identify if a child is working towards, at or above the expected standard in reading, writing and maths. This will also contain an explanation of the codes that we use for attainment in school. Should you wish to discuss this mini report further, please do make an appointment with your class teacher by calling the school office. *Please note, parents' evenings will take place in the usual way in the spring term.

Parent survey:

Recently we emailed a link to a parent questionnaire to gain your views at the end of the first term of the academic year. Thank you so much to those who have completed the questionnaire so far - over 80 parents. Your views and recommendations are very important to us and I can assure you that I read each completed questionnaire. There are already actions that have been put in place following

recommendations that I have received this week. The link is below; please do complete a questionnaire for each child who attends our school. Thank you.

"...so that everyone
might believe..."
John 1:7

Jesus is the light of the world. This reading says that John the Baptist came to tell everyone Jesus was coming.

Why do you think Jesus is called the light of the world? - Jesus is the Son of God and he shows us how we should live – he is a shining light in the darkness for us to follow.

See how much light one small candle gives out. This is like Jesus – shining his light for all to see.

But if we share the light we can see so much more! If we share the light of Jesus we can light up the whole world.

How do you think we can share the light of Jesus with others?

We can be kind. We can be generous. We can share with others. We can be friendly. We can help people who are poor, or sick, or hungry.

You can also share the light of Jesus by helping others, by loving and caring for the people that you meet.

How will you share the light of Jesus in the next week?

John came to tell us about Jesus, light of the world, and so we pray together that we may share that light with others:

We pray for world leaders: that they may be guided by the light to do what is best for the people in their countries. Lord, in your mercy...

We pray for people who are poor, sad, hungry or lonely: that they may find light in their darkness and hope for a brighter future. Lord, in your mercy...

We pray for our parish, family and friends: that through our actions others may see the light of Jesus shining. Lord, in your mercy...

Closing prayer:

Jesus, light of the world, help us to be shining examples of your love and light to all members of our global family. Amen.

Gifts from God

The following children have been awarded certificates in our Gifts from God assembly this afternoon and will be invited to 'Brew with Mr

W' on Friday afternoon to discuss their achievements. Well done children for your hard work and commitment to our school values.

	Gospel values	Good work
Reception	Leah	Ivy
Year 1	Phoebe	Finley
Year 2	Soraya	Willow
Year 3	Zara	Katie
Year 4	Charlotte	James
Year 5	Gabriella	Lucas & Minie
Year 6	Bella	Rhodri

Attendance

Congratulations to Year 6 who have achieved the highest attendance this week. You will receive an extra play time!

Attendance for the whole school for this week is 95.46%.

Here is the attendance for this week for each class:

Year R: 93.3%

Year 1: 95.3%

Year 2: 96.7%

Year 3: 95.7%

Year 4: 96%

Year 5: 94%

Year 6: 97%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message. If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988

Email - freeschoolmeals.benefits@dudley.gov.uk

More information

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

5 - National Online Safety

This week we have emailed you with information on how to sign up for resources, courses and webinars around online safety using the National Online Safety platform. I will shortly add suggested resources to your parent 'watch list' which I believe will be of great support to us all as we keep our children safe in an ever changing environment online. Please do sign up to this fantastic resource which we also use regularly in school. All schools within Emmaus have been provided with this opportunity to support online safety of our children.

Within school, we are able to see which courses that you have completed, but not any other details. Please ensure that you select the 'parent/carer' user group when you sign up.
